

Faculty of Engineering Management

Deadlines for choosing a promoter for the final thesis

1.	Engineering Management - Engineering with Commerce	first cycle	sem.5	winter
2.	Engineering Management - Corporate Management	second cycle	sem.2	winter

According to the regulation for studying a student shall choose his promoter no later than by the end of the semester before the last semester of the course of study.

The necessity of choosing a promoter does not mean the demand of establishing the title of the thesis.
